Assisted in passing AirCare and/or Emissions testing at Government Agency: Yes  No  Unsure

....maybe this one needs another choice... like NA or not tested; or newer vehicle..

### OVERALL COMMENTS / IMPRESSIONS of CealDoctor™ Self-healing Engine Treatment product:

I have been very impressed with the initial experiences with Cealdoctor. I have noticed that both my vehicles sounded much smoother and had much more power after starting from a stop. I anticipate good results in fuel consumption reduction.
